

Discovering the Adult Baby in you - the joys, the struggles, the highs and the lows.

Introducing a new book: 'The Joy of Bedwetting'

We have been asked for a long time to have a book on the subject of bedwetting, but not on how to treat it, but rather on how to enjoy it. A third-party author – Forrest Grant – has combined with us to produce a wonderful book that helps people feel good about bedwetting and assists them in becoming bedwetters themselves.

Bedwetters and the curious alike will enjoy this fascinating and definitely unique book. Forrest has made his collection of adult bedwetting pictures available as well.
