

Discovering the Adult Baby in you - the joys, the struggles, the highs and the lows. Finding what makes you who you are and how to deal with the pressures and the difficulties.

OUT NOW!

We are very excited about our brand new session – “[Infantile Regression: Nature’s Time Travel](#)”.

In this session we discuss what infantile regression is and how it works as well as ask the question about where it came from as children. We delve into questions about the power of the diaper, society views on diapers and infants and more.

Come and join us for this fascinating and controversial journey.
