

Discovering the Adult Baby in you - the joys, the struggles, the highs and the lows.

Hi everyone!

It is heading into winter down under while our northern hemisphere friends are about to enjoy the pleasures of warmer weather. Lucky you! Personally, I am a summer-loving person although lazing in front of a log fire with a good book and a cup-o-tea or watching my favourite football team is not a bad alternative!

In this email blast, we are offering our books at a significant discount because we know that a lot of ABDLs are short of cash. All the prices on the website have been reduced by at least 20% or more.

And in response to a couple of requests, bedwetters out there are invited to submit their photos for possible inclusion in an extended version of "The Joy of Bedwetting" book. Check [here](#) for details...

Thank you all for your kind letters. It is very much appreciated by both of us.
