

Discovering the Adult Baby in you - the joys, the struggles, the highs and the lows – and the journey.

Ben Pathen's books have been very popular in the last couple months and has delivered yet another gem:

A Baby for Felicity

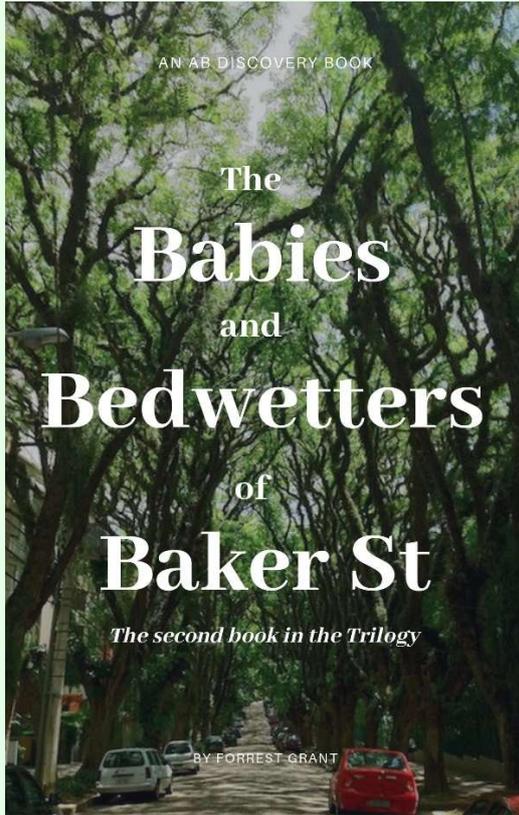

Oliver was an adult baby. One day when Dave, an old friend, rang to see how he was getting on, he spoke not to Oliver, but to Felicity. She told him an impossible tale of how 'Ollie' was now living as a baby. He thought it was a scam or a lie. But it wasn't.

Trapped by his own infantile desires, Felicity had indeed, partly turned Oliver into a baby, but how far would she go and how far would he let her? And what would her mother and two sisters say when they discovered that Felicity now had a baby - but not by traditional means?
