

AB Discovery...

The discovery of me!

Prolific author Ben Pathen is back with his 16th ABDL Novel!

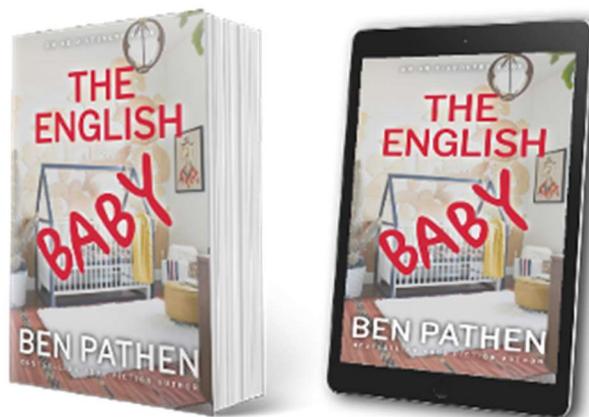

“The English Baby”

In Ben Pathen's 16th ABDL book we travel to Germany and discover wealthy single woman, Franka who desperately wants to have a relationship with a man of her own design - a baby man. A man she can love, control, spend her life with and be... his mother. And she wants an English Man - an English Baby.

With the help of esteemed psychiatrist, Dr Marie, she takes 50-year-old Ethan on a trip down memory lane back to his younger years and finally, to his infancy. And there he stays.

Franka and her new Nanny take Ethan on a wonderful and refreshing journey of absolute dependence, total love and complete infancy. The tortured and lonely adult evaporates and the new person - baby Ethan is born. He is less of a man, but more complete as an individual as he allows infancy to be his destination and his new life.

A baby is born and his mother is ecstatic! Click the image below for more information.

Do you ever want to be part of one of these stories?

Have you ever thought what it would be like to read one of our fiction books and read *your own name* in it as the adult being turned into a baby? Would you like the dominant woman that is changing your wet nappies to be a specific name that means something to you? Well now you can!

AB Discovery is now making available any of our fiction books with *your name* in place of the original character and the parenting adult as someone you can choose. For just \$2 over the usual price of any book,

you can have a book all about you. If you want this, email us at abdiscovery@adam.com.au and let's get started on a book... just for you!

Thanks for reading this far and we look forward to hearing from you through this time of multiple crises... and boredom. If you are lonely, drop us a line or say hi on twitter.

If you are in America, our thoughts and prayers are with you and we support your objectives on demanding equality and democracy for everyone.
